Dear Placement Officer,

Ramachandra College of Engineering.

Greetings from **Datanomist**,

We are pleased to offer the Internship & employment (based on their performance post internship) at Datanomist for the following students of your esteemed institution

<b>Rushi Ambati</b>	CSE
<b>Siva Chandana Nalla</b>	CSE
<b>Sravva Alla</b>	CSE
<b>Harikrishna Juttuka</b>	CSE

Datanomist is pleased to offer the students an educational internship opportunity as an Assistant Consultant intern. This position is located in our **ELURU**, Andhra Pradesh office **full time at our premises**.

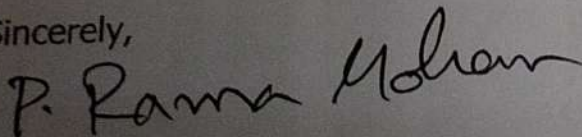

As students will be receiving experience letter for this position, they will be undergoing **3 Months training** as an unpaid intern. Upon successful completion of the training they will be **placed in a project for 6months** to get the real time experience, during this time they will be a paid intern (as per the company standards). Once the trainings and projects completed they will be converted as permanent employees of Datanomist based on their performance.

For this position, their major duties will include **Software development and other Software Development Life Cycle related activities**. Their internship assignment will **conclude on <30/Apr/2019>**.

We feel that their skills and background will be valuable assets to our team. And also we confirm that we are very **happy to allocate academic project to them as well**.

We look forward to welcoming your students as a new intern at **Datanomist**.

Sincerely,
