Report in brief:

Dr.E.Muneender spoke about the importance of GATE to the engineers in the current job market scenario. Dr.Muneender is the founder & head trainer at Vishwa Technologies and he mentioned that a student's approach towards his/ her engineering is a key factor. The aim of an engineering student should not be to get percentages only but to think beyond it. For a GATE aspirant the subject they gain during graduation will be a good foundation for a perfect GATE preparation.

Report in brief: RCEE invited Mr. Rahul from ICE GATE Academy for interaction. He spoke that Up skilling and Cross skilling is the order of the day for the working professionals of the modern day world to stay ahead in their careers. It was a rare experience to analyze and criticize the performance with constructive learning. For engineering graduates, GATE becomes an important step to take as it opens up the opportunities not just for careers in PSUs but also for pursuing higher education in premier campuses.

Report on "Career Guidance"

Organized by : Department of Training & Placements

Name of the Speaker : Mr.Venkateswara Reddy Udumula

WorldWide Education, Vijayawada.

Designation : Managing Partner

Topic : "Overseas education is only for rich"- A myth.

Venue : MBA Seminar hall, C Block

Date & Time : 20.07.2018, 10:30 to 12:15 PM

Branch(s)	Year(s)	Semester	No of Students Attended
CSE	IV Year	I	22
ECE			31
EEE			18
Mech			16
Civil			11
Total No of Students Attended			98

Report in brief: Mr.Venkateswara Reddy spoke that many students have many misconceptions of obtaining an international degree from countries like USA, Canada, Australia, etc. The top myth is that such degrees are very expensive and need lot of investment. He spoke about various Universities, the process & documentation needed, etc. Students interacted with him and understood the benefits of attaining an international degree.
