

CORE VALUES

A screenshot of the same website, focusing on the 'Core values' section. The page title is 'Core values'. Below it, there is a list of core values: Excellence, Respect and Accountability, Ethics and Commitment, Social Responsibility, Global Standards, and Excellence. Each value has a detailed description. For example, 'Excellence' is described as the institution's commitment to excellence in all activities, continuous improvement based on reviews, and recognition through awards and honours. The 'Respect and Accountability' section discusses developing an environment where members take responsibility for personal and professional growth, and how the institution assesses policies and enhances them. The 'Ethics and Commitment' section talks about supporting the mission and vision of the college, identifying needs, and providing technology-based education. The 'Social Responsibility' section emphasizes promoting social responsibilities in students through various social activities and creating awareness about social issues. The 'Global standards' section describes RCEE's global vision, research focus, and aim to transform students into globally competent individuals.
